

# 26"

## Siding Cutter

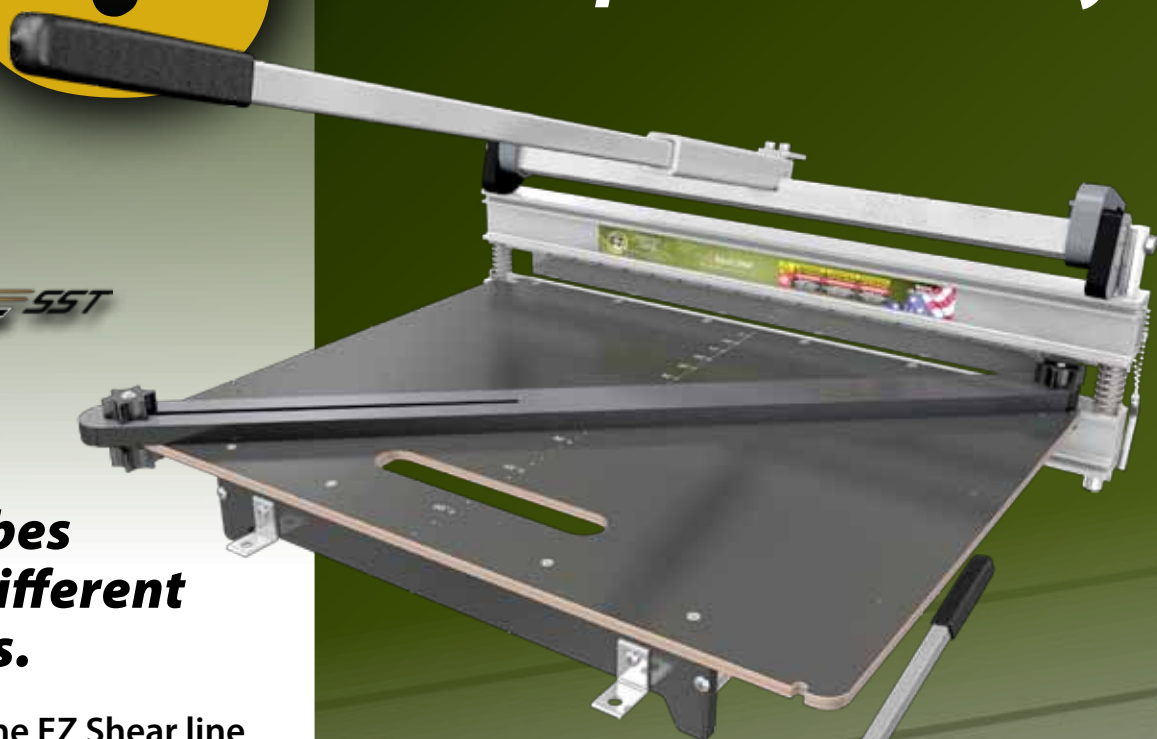

**Powerful.  
Dust-free.  
Quiet.  
Split Personality.**

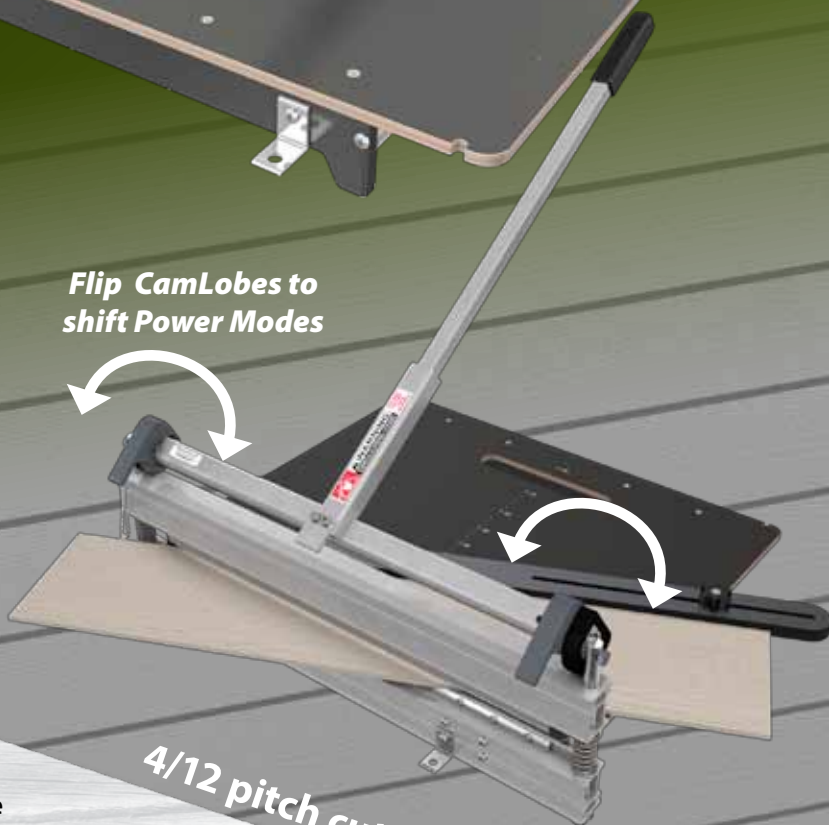

**Shear SST**  
"Make the Cut!"

### **Dual CamLobes create Two different Power Modes.**

The latest entry in the EZ Shear line of siding and flooring cutters, the EZSST26 handles angles down to a 4/12 pitch, easily shears laminate flooring, and with a quick flip of the innovative adjustable-leverage Cam system, opens to 1 1/4" to handle deeply textured siding and siding trim.

*Flip CamLobes to  
shift Power Modes*

*4/12 pitch cut with the EZ SST 26*
