

# QUICKSTART GUIDE

*Read Before Use!*

The Bullet Vinyl Cutter is designed to cut luxury vinyl plank, WPC, and other soft flooring products up to 9.5" wide and 7/16" thick.

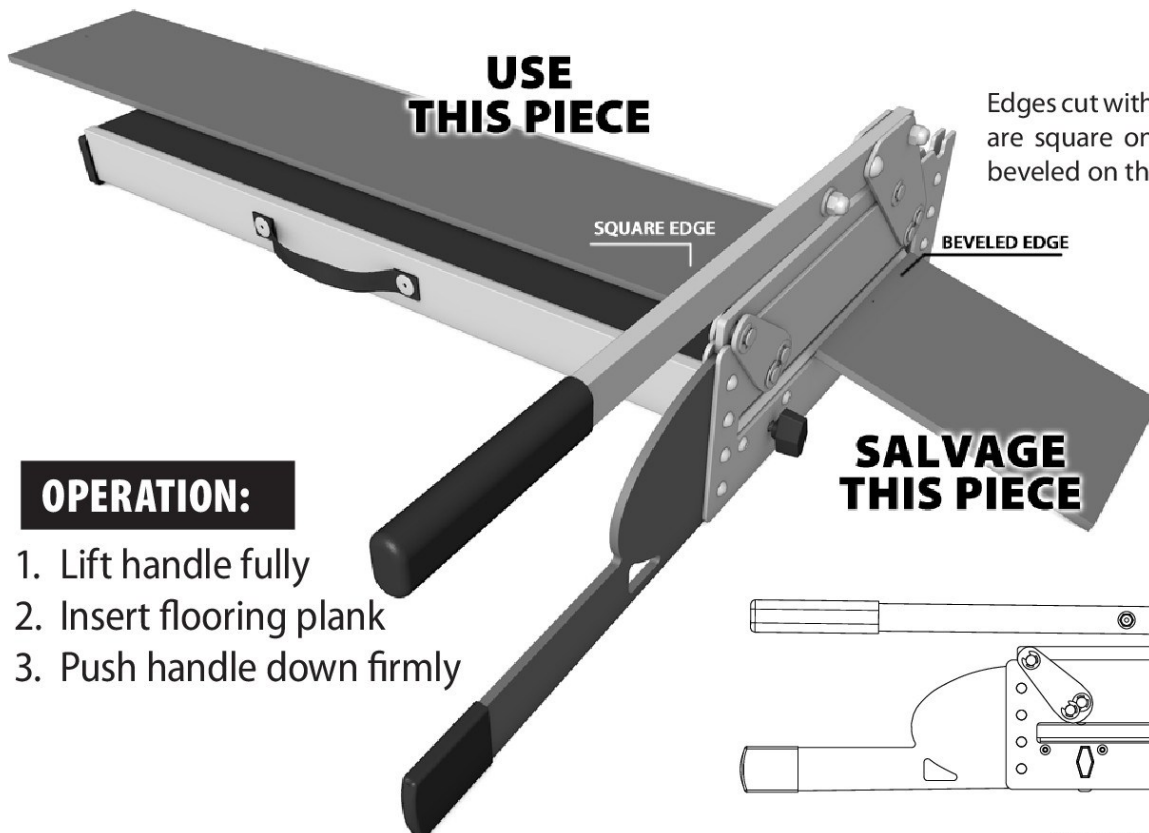

## SETUP:

1. Open table
2. Remove cutting unit
3. Attach cutting unit to table using provided knobs

**WARNING!  
VERY SHARP BLADE!**

Edges cut with the Bullet Cutter are square on one board and beveled on the other.

## OPERATION:

1. Lift handle fully
2. Insert flooring plank
3. Push handle down firmly
