BULLET TOOLS™
Cutting-Edge Solutions for Tradesmen

The 26" MAGNUM™ Soft Flooring Shear is a precise, heavy-duty soft flooring shear designed specifically for fast, clean cuts on luxury vinyl tile, carpet tile and other soft flooring products. Its innovative angle guide and advanced leverage system provides maximum power for remarkable speed and accuracy in square & patterned installations. The MAGNUM™ 526 is the ultimate solution for saving time and money while providing increased jobsite efficiency and safety.

Model **526**

FEATURES

- ACCURATE** Innovative angle guide for precise and consistent angle cuts
- FAST** Self-measuring wall gauge speeds up cuts using last tile in each row
- PRECISE** Fence adjusts within ½° to match your wall
- POWERFUL** Super-sharp blade and advanced leverage system
- DURABLE** Hardened chromium-vanadium tool steel blade lasts up to 10,000 cuts
- CONVENIENT** Smooth casters for jobsite portability and rolling during installation
- VERSATILE** Cuts most resilient & carpet tile products - even hard-to-cut Amtico® & Torex®
- EFFICIENT** Fast, precise, factory quality cuts with one stroke on most products
- FUNCTIONAL** Built-in ruler and removable fence for 45° and 90° cuts
- CLEAN** Produces no airborne dust and reduces jobsite clean-up
- QUIET** Smooth, non-electric operation allows working early or late
- STRONG** Powerful yet lightweight double F-beam construction for greater leverage
- WARRANTY** 5 Years
